WOMEN OF FAITH FOUNDATION INTERNATIONAL CONFERENCE 2024

# 10 *ten years*

11<sup>TH</sup> – 13<sup>TH</sup> JANUARY 2024

*“Let us give thanks to the LORD for his unfailing love and his wonderful deeds for mankind, for He satisfies the thirsty and fills the hungry with good things”*

(Psalms 107:8-9)

**Women of Faith Foundation** raises Godly Mentors to support other Women and Families in need. We train, inspire, mentor and empower individuals to achieve purpose in life; we are passionate about using our potentials in supporting communities to develop better.

### **Glory be to God!**

The past 10 years with the Women of Faith Foundation have been a great privilege; by the grace of God, we are vessels for positive change. God established this vision to raise Godly mentors; we support women who are struggling in silence. He connected us with amazing and resourceful women from various professions; we work together to support, and empower families in need both in the UK and in Africa. We are very grateful for the great commitment and selfless services.

Congratulations to our leaders in Nigeria, we are proud of your great achievements; Happy 3rd Anniversary. We celebrate your commitment, and passion for family and community wellbeing.

Together, in the past 10 years, we have positively impacted over 5000 women.

Supported 34 local groups to set up and impact their communities

Empowered 27 microbusinesses with start-up grants.

Assisted 9 families with accommodation problems.

Donated food and hygiene items to over 600 children in Africa.

We are currently running 9 projects in the UK, Kenya, and Nigeria.

Our farming projects in Nigeria and Kenya have fed thousands of mouths, and many more are still benefiting from them.

I am immensely grateful to our directors, great leaders, our wonderful executives, the management team, partners, mentors, volunteers, and members for our unvarying support, regular donations, time commitment, and ceaseless prayers. We appreciate your genuine love and unity of purpose. We look forward to greater achievement in the years to come; we are all called for a time such as this! Lastly, I appreciate my beloved, my husband, Pastor Prince Adewale Okanlawon Adeola, and my children for their faith and support throughout each journey.

May we all achieve great destiny in Jesus' name.

Congratulations to us all!

Thank you very much, God bless you all.

**Yetunde Adeola**  
**Founder, Women of Faith Foundation**

## The world needs more of this goodness!

Congratulations to all the members of Women of Faith Foundation on the decade of excellence! A collective dedication and hard work over the past 10 years, and 3 years in Nigeria, has undoubtedly left a lasting impact.

Congratulations to our Partners in Nigeria who bought into this vision.

The group worked hard to help people in different areas of their lives. In a world where kindness can be a rare commodity, this group shines as a beacon of hope.

I thank God for the Visioneer Pastor Yetunde Adeola whose vision has brought Women of Faith into existence. I thank God for the unwavering commitment to helping others live better lives which is truly inspiring. Every act of compassion, every moment of support, contributes to a positive ripple effect that transforms lives.

Keep spreading the light and making a difference – the world needs more of this goodness! I wish you many more years of success and teamwork ahead, in the mighty name of Jesus, Amen.

**Pastor Mary Olowu**  
**Chair, Women of Faith Foundation**

## Abounding Blessings!

Congratulations to Women of Faith Foundation; God is so faithful to His mission. We are very proud to be part of the mission in UK.

Bringing Thanet Christian Radio into focus while we still have the internet at our disposal takes your support in several ways. First, please tune in to the programmes. They are produced by many worldwide leading ministries. Help spread the word to all your contacts.

By sharing this link with them and downloading the FREE APP which will connect you directly, without hassles, to:

[www.thanet-community-radio.com](http://www.thanet-community-radio.com) or use the following link to get our FREE APP from Google Play: <https://play.google.com/store/apps/details?id=uk.app.thanet>

Earlier this year, we were given a donation, which allowed us to increase bandwidth plus storage. This took our outreach from 15,000 listeners to 500,000 listeners. It has taken 6 months to reorganise the running of TCR. So, come end of June 2024, we will need to find a year's fees: £1800 – in advance to carry us through to June 2025.

Our pension has been covering the costs fully for 7 years. As everyone, cost of living rises make things difficult. There is also a need to find someone to help whom we can pay to do some of the straightforward computer work.

By tuning in you can help raise the number of viewers and keep us on top of the internet pile.

Thank you for supporting our non-profit teaching and Bible-sharing venture.

**Rev Pastor Iris**  
**Vice-Chair, Women of Faith Foundation UK**

## Cheers!

Congratulations to Women of Faith Foundation, both in the UK and in Nigeria. We appreciate all our executives, members, and guests who join us to celebrate this 10th anniversary in Nigeria. Thank you for your contributions and love for humanity.

The grace of God, dedication, and hard work of Pastor Yetunde Adeola, the Executives, and the entire members have changed thousands of lives for the better, and I am grateful to be part of this great family.

I appreciate everyone who has been working with me for the past 3 years in Nigeria. We thank God for His faithfulness.

On behalf of my family, I pray that we shall celebrate Many more years in the service of God to humanity in Jesus Name.

Happy celebrations!!

## In Such a Time as This!

Health is wealth; your wellbeing matters most. In a time of scarcity our first instinct is to run to the cheapest Superstore and stock up. This may seem like the logical thing to do, but we are also facing a time of compromised health.

Instead of buying loads of tinned food, grains and rice, look at Nutrition first. There is a vast difference between high nutrition and simply filling ourselves up. When you eat nutritional food you will need less and it will strengthen your immune system and control your weight.

Recommended food for a time like this will be fresh vegetables, fermented for long life, increased nutrition and probiotics. Replace your rice with Bulgar wheat which adds to nutrition. Buy stoneground organic flour and make sourdough bread, sourdough pancakes and so much more. This will be fun and give you more nutrients and probiotics. Let's starting growing our own vegetables and patronise our local farm shops for organic crops. There are so many healthy options available within our group, share and strive for health!

## God of no Limitations!

I welcome us all to another wonderful and glorious celebration. We thank God for sparing our lives from last year to witness another year. Our God has indeed been faithful. I thank God for the life of every member of this wonderful foundation worldwide, in London, in Nigeria, in Kenya, in Ghana and all other parts of the world that we are still going to reach.

There is a reason and a purpose for everything created. God is saying to you and me no more limitations, no more boundaries. What is that plan, what is that dream, what is that vision? Go forth. God is waiting for you. I want to encourage us as we have entered into this period of our "new

normal" not to limit God in any of our plans and hopes and aspirations. Our God is not limited. He is Almighty. Luke 1:37 tells us *"For with God nothing shall be impossible."* God is so much higher than our problems and what we perceive as impossibilities. Nothing is impossible with Him.

I want to encourage all of us @ Women of Faith Foundation, to go out there and do exploits. Whatever your plans are in this new season, hand them over to our God, who is not limited in any way and watch yourself do exploits. Congratulations to us all!

## The Power of Gratitude!

When life is difficult, we often focus on the negatives and miss out on the positives altogether, but this creates a biased, untrue view of life. There is beauty all around us, even when we are struggling, and noticing that beauty restores some of the joy we've been missing.

Keeping a gratitude journal is a practice of looking beyond ourselves. Write down three things every day for which you are grateful for (try to pick three different things each day that's the catch). Pay attention to the small gifts of life in which God has blessed you with. Each time you notice and appreciate something positive in your life God smiles back at you. GRATITUDE IS MEDICINE.

## Hard work, dedication and commitment!

Congratulations to the Women of Faith International on this incredible milestone. A very worthy milestone I must say. Our great Foundation has truly made a difference in the lives of people. I would also like to use this opportunity to thank our founder, Pastor Yetunde Adeola, for 10 years of invaluable service.

Your hard work, dedication, and commitment towards the Foundation is indeed noteworthy. Over the 3 years since the Women of

Faith in Nigeria was established, you've taken our team to an unprecedented level, and I couldn't be more grateful to be part of this NGO. On behalf of Eternal Gems, a reiterated and hearty congratulations to us all.

## Excelling Mindset!

Do you sway between wanting to be a good spiritual person and wanting wealth? Relax. You can have both! You were born to play big. You were born into abundance...

Take responsibility for your money situation and identify what exactly is missing. Do you have a regular income? Do you have savings? Do you have a means to generate passive income? Do you have investments and a property portfolio? Do you have security? Do you have peace of mind? Whatever is missing for you, take the positive actions now to achieve it. Don't just talk about it... Do something positive about it!

## Congratulations to Women of Faith Foundation

Women of Faith Foundation Kenya has continued to expand its programs across the country by the support of Women of Faith Foundation UK.

The programs funded by WFF-UK include Business start-up Support Grant Scheme, Donations for setting up the Training and Tailoring Centre, Jesus Celebration Party - Operation Feed the Nations, Food and Clothes donations to Wings of Hope Rescue Home, clothes donated to slums families, free Virtual Trainings and currently Crop Farming for Butere village.

We have expanded its programs but several women have continued to enjoy the benefits through support received by WFF-UK. Most benefited women are able to provide basic need for their families and educate their children.

A big thank you to Women of Faith Foundation-UK for the financial freedom and letting our hearts free from worry about 'what -if of the Life'.
